TESTIMONY

My name is Ephata Sedimu Mbise. I was born in a pagan family. It was very difficult for me to reach a point of making a decision to accept the Lord as my Savior because in my community and clan as large every person is like a property of that family. I used to do things which are required by the community such as worship of gods through ancestors and consulting of witch-doctors. One day a group of people visited our village telling people about the Lord Jesus. They were doing house to house evangelism. They gave me a track to read and told me to come next day. When they came, I decided to give my life to Jesus. This happened when I was 19 years old. I joined a Baptist church where I was baptized.

My call to ministry came as a result of a habit I started to adopt of joining my pastor who used to witness people in different villages. The time came in which I felt a burden of going to tell the lost people our village about Jesus. I thank the Lord because during this time I saw many people accepting the Lord through my witnessing. The church later called me to be their pastor.

- 2 - Please write your personal doctrinal statement.**

I believe in God our Father, the Son and the Holy Spirit. Through teaching I am able to tell and believe that the three persons of God is a revelation in which three names stand for the only God. I believe in the authority of the Bible as a revelation of God through which a man can learn and live according to God's will. I believe in the second coming of Jesus Christ for the rapture of His church. I believe that the presence of Satan is real because the Bible tells so, and is the transgressor of God's will. I believe in the ordinances given to the church by Jesus Christ, which are the baptism of believers and partaking of the Lord's Supper for those who have invited Jesus Christ in their lives. I believe in the great commission of our Lord Jesus of reaching the whole world with the Good News of the Gospel, through teaching them and baptizing them in the name of the Father, the Son and the Holy Spirit.

- 3 - Please write a brief testimony of your wife.**

My wife was born in a pagan family and her parents are pagans. One day she went to an air open preaching meeting. There she was able to hear the word of the Gospel and gave her life to Jesus. Since that time she joined a Baptist church. She started a new life and was baptized. She works together with me in serving the Lord and encourages me. She go together with other church members to the neighbors houses to witness to the lost people.
